NEWS RELEASE – January 4th, 2008

BOEHM Inc. AWARDED RECORD AMOUNT OF AWARDS FOR PRINT EXCELLENCE in 2007 - 2008

Boehm Inc., an ISO 9001: 2000 certified company headquartered in Grove City, OH is pleased to announce that it was selected by **PIANKO** (Print Industry Association serving Northern Kentucky and Ohio) to be recognized for print excellence in several categories.

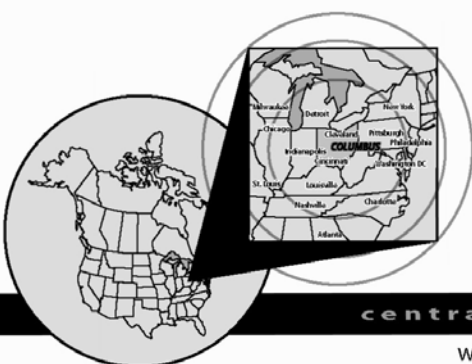

Each year, PIANKO holds its Print Excellence Awards Competition to reward Ohio and northern Kentucky printers that demonstrate excellence in 33 categories. This year member companies' submitted 631 printed pieces and a record 8 award were awarded to Boehm Inc.

Boehm Inc. with offices in Ohio & Kentucky was awarded a Gold, several Silvers and one Bronze award in the Flexographic Printing category. The awards were for applications of adhesive labels for consumer products and **Brand Protection** features.

The decal division was awarded two Silver awards based on submissions for the Fire and Public Safety Organizations. Boehm Inc. has the distinction of printing the exterior decals of Ohio Sheriff's Patrol vehicles for several Ohio counties. In addition to patrol vehicles, the increasing demand for homeland security vehicles contributed to record growth in Boehm Inc.'s screen-printing business.

Boehm Inc.'s item level identification group continues to build on quality and commitment for an ever-changing industry and according to Boehm's Operation's Manager Mr. Sherrill Luce - "We have a combined 150+ years of flexographic print experience and world-class equipment to focus on security features in our label converting. These layered features offer the manufacturer and consumer a safe, sustainable supply chain."
